Higher Technician in Cross-Platform Application Development (DAM)
Atlántida CIDEP · 2021-2024 · 7.69/10

Technician in Microcomputer Systems and Networks
I.E.S. Aricel · 2019-2021 · 6.30/10

CERTIFICATIONS

- Data Engineering - Cívica (2026)
- dbt Fundamentals - dbt Labs (2026)
- Creating Chat with Kotlin and Firebase in Android Studio - Udemy (2024)

LANGUAGES

Spanish: native
English: B2 - professional experience in Ireland

EXPERIENCE

Data Engineer - Training Project | Cívica
03/2026 - 05/2026 · Granada

- Built an end-to-end pipeline over 67,000+ Steam games using Medallion architecture in Snowflake.
- Implemented incremental models, an SCD-2 snapshot, reusable macros and dbt Cloud testing; delivered 4 Power BI dashboards.

Junior Web Developer | Wit Creativo
03/2025 - 06/2025 · Granada

- Built and maintained WordPress/Elementor websites for real agency clients, adapting functionality to project requirements.
- Integrated JetEngine and WooCommerce and handled production content and technical updates.

Junior Full Stack Developer | OYR Solutions
03/2024 - 06/2024 · La Zubia

- Developed full stack web applications with JavaScript on the frontend and PHP/MySQL on the backend.
- Built an accounting management module for Dolibarr and contributed UX improvements based on real user feedback.

IT Support / Graphic Design | Love2Learn / Property Partners Nationwide
06/2022 - 08/2022 · Waterford, Ireland

- Provided IT support and account management in English within a multicultural work environment.

IT Technician | TECNOSECOND SL
03/2022 - 06/2022 · Maracena

- Handled formatting, disk cloning, hardware replacement and software installation.

SELECTED PROJECTS

Steam Games - Data Engineering Pipeline [dbt](#) · [Snowflake](#) · [Power BI](#) · [Python](#)
End-to-end pipeline transforming Steam data into analytical models and dashboards, with Medallion architecture, incremental models, SCD-2 and testing.

MNZone - Gaming Center Management Platform [PHP](#) · [JavaScript](#) · [MySQL](#) · [Python](#)
Full stack platform with authentication, bookings, store, member management and an admin panel; DAW final degree project.

MaxManga - Android Applications [Kotlin](#) · [Android](#) · [Firebase](#)
Two apps developed as a DAM final degree project: PDF reading/management and a community app with real-time chat.

PROFESSIONAL FOCUS

I combine application development, database work and recent Data Engineering specialization. My portfolio and GitHub include documentation and visual evidence of my main projects.
